

The City of Menomonie Inspection Department would like to remind those persons advertising residential thrift sales, garage sales, yard sales, etc, that these signs are subject to the following rules:

1. Signs are NOT allowed to be attached to stop signs, traffic signs, light poles, electrical poles or any other public or utility structures.
2. Signs are limited in size to 2 feet by 2 feet or smaller.
3. Signs may be installed 1 day prior to the sale and must be removed immediately upon the close of the sale.

We would respectfully ask for the cooperation of the public in complying with these rules when you have your sales this summer and fall.
